## National Terrorism Advisory System

### Current Alerts

# **SITUATION SUMMARY**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County**

### **SITUATION:**

On Sunday, August 24, 2014, at 0320 Hours PST, a magnitude 6.0 earthquake struck five miles northwest of American Canyon, CA.

### **Health and Medical**

- Napa County Public Health (NCPH) will be submitting a formal request to the Napa MHOAC regarding a request for assistance from the DEODC Emergency Preparedness Team. NCPH is requesting a community assessment of emergency preparedness, mental health issues, chronic disease exacerbation, and injuries following the earthquake. The assessment is planned for the week of 9/15/14.
- CDPH Division of Environmental and Occupational Disease Control (DEODC) Emergency Preparedness (EP) will be assisting Napa County Public Health with an assessment planned for the week of 9/15/14 regarding epidemiological assessment of injuries, chronic disease exacerbation, mental health needs, and personal preparedness related to the earthquake.
- Per the Department of Social Services, the following CCL Adult and Senior Care Facilities have been impacted:
  - [Napa Valley Support Services – Brown Day Program is up and running.](#)
  - [Napa Valley Support Services on Imperial Way is up and running.](#)

### **Utilities**

- [All communications and utility operations have been restored to normal condition.](#)

### **Activations**

The Coastal Region Duty Officer and assigned field staff, in coordination with Cal OES' Recovery Division and interested stakeholders, will continue to monitor activity, conduct follow-up on related impacts and associated costs, actions taken, and facilitate additional state assistance as needed.

- Napa County EOC - Napa Recovery Operations Center (ROC) – Activated Mon thru Fri from 0800-1700 hours until further notice.

### **Deployments**

(11) Cal OES staff are deployed to Napa for IA PDA.

# **SITUATION SUMMARY**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County (Continued)**

### **Recovery**

- Cal OES Recovery Individual Assistance (IA) continues to support the REOC and respond to inquiries from individuals affected by the earthquake. All IA and Public Assistance (PA) joint federal/state/local preliminary damage assessments (PDA) concluded and a request for Presidential Disaster Declaration was forwarded by the Governor on 09/02/14. However, based on a request for additional IA information, five IA PDA teams are in ~~to~~ NAPA to continue damage assessments until further notice; two of the teams will go to Solano beginning 09/11/14.
- The City of Napa website has information regarding earthquake recovery resources.
- A Public Assistance Applicants' Briefing to discuss the types of assistance available and the programmatic guidelines was postponed until a determination is made by the President on the major disaster declaration request. PA staff will work closely with the Operational Areas and Coastal Region for a date and location at that time.
- On 09/04/14, IA participated in a Long Term Recovery Committee (LTRC) meeting with key organizations interested in recovery efforts. A follow-up meeting was held 09/05/14, the Napa LTRC is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement.
- Solano County has scheduled a Long Term Recovery discussion meeting for Monday, 09/15/14.
- The City of Vallejo opened a Local Information Booth at 355 Santa Clara Street in Vallejo, through 09/05/14, and worked with the Chair of the Solano Volunteer Organizations Active in Disaster (SVOAD), to assess needs and make information available to the community. Additional discussions are taking place for next steps.
- American Red Cross Assistance Center: Napa Marriott Hotel opened on 09/01/14 from 1000 to 1900 hours for Napa and Solano County; center will be open for two weeks.

### **Local Assistance Center**

- County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). The LAC is open until further notice. Over 200 people visited the LAC on opening day.

# SITUATION SUMMARY

## NORTHERN CALIFORNIA FIRES

### Happy Camp Complex, Vegetation Fire, Siskiyou County

Happy Camp District, Klamath National Forest

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of [09/11/14 at 0541 hours](#):

FRA

- [107,359](#) acres, 30% contained
- Type 1 Team in command
- Expected Containment: 09/20/14
- Threatened Structures: 695 Single Residences, 28 Nonresidential Commercial Properties, 20 Other Minor Structures
- Continued fire growth expected due to warm, dry weather.
- Continue actions to contain spot fires that crossed Scott River Road.
- [See Fire Activity Section for detailed information.](#)

### July Complex, Siskiyou County

4 miles southeast of Sawyers Bar

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of [09/11/14 at 0600 hours](#):

FRA

- [45,762](#) acres, 78% contained
- Type 2 Team in command
- Destroyed Structures: 2 Other Minor Structures
- Whites and Log Fire, no spread expected.
- [Headwaters of Wooley Creek will remain active due to short range spotting.](#)
- [See Fire Activity Section for detailed information.](#)

### Gulch Vegetation Fire, Shasta County

Backbone Ridge, Jones Valley, 15 miles NE of Redding

Per CAL FIRE, Cal OES Duty Officers and ICS-209 as of [09/11/14 at 0550 hours](#):

SRA

- [1,200](#) acres, [15%](#) contained
- Type 3 IC in command
- Fire is expected to grow to the south under current north wind.
- Direct attack and structure defense will continue in all divisions.
- A Fire Management Assistance Grant Application (FMAG) request on 9/10/14 at 1634 hours. The request has been reviewed by the Cal OES and has currently been placed on hold as it currently does not meet FMAG criteria. An amended FMAG was received at 1910 hours on 9/10/14. The FMAG was reviewed by Cal OES Fire Branch and remains on hold. If conditions change, new information will be reviewed.
- [See Fire Activity Section for detailed information.](#)

# SITUATION SUMMARY

## SOUTHERN CALIFORNIA FIRES

### Meadow Vegetation Fire – Yosemite National Park, Mariposa County

Moraine Dome, East of Little Yosemite Valley, Yosemite National Park.

Per CAL FIRE and Cal OES Duty Officers as of [09/11/14 at 0603 hours](#):

FRA/YNP

- [4,906](#) acres, [23%](#) contained
- Type 2 Team in command
- Threatened Structures: 3 Mixed Commercial/ Residential
- Fire in burning through a popular hiking area in Yosemite National Park
- [Continued high temperatures and decreased RH may continue to show spots outside the perimeter.](#)
- [Crews continue to Spike and employ M.I.S.T. tactics.](#)
- [Secure west flank which would allow opening of Half Dome Trail.](#)
- Crews have a 4 hour hike into the fire area
- [See Fire Activity Section for detailed information.](#)

### Bridge Vegetation Fire, Mariposa County

Highway 49 at Harris Road – Chowchilla Drainage of Ponderosa Basin Community

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of [09/11/14 at 0551 hours](#):

SRA

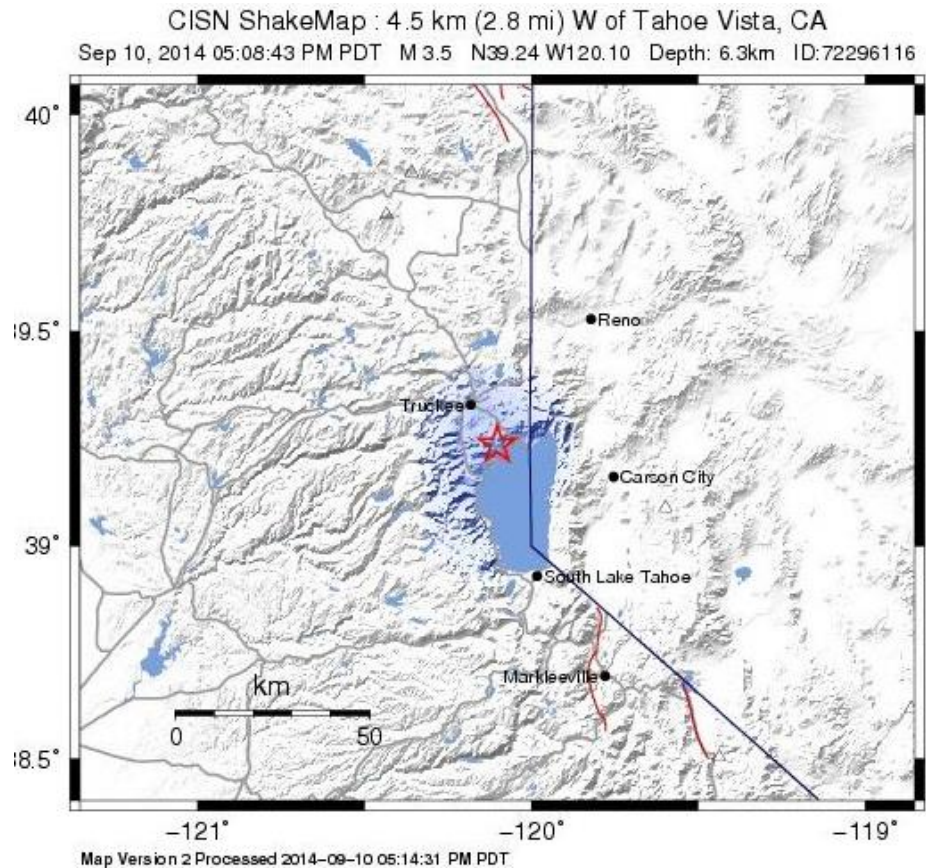

- 300 acres, [97%](#) contained
- Type 1 IC assigned
- A Fire Management Assistance Grant (FMAG) FM5077 for the Bridge Fire was approved by FEMA on 09/05/14 at 2033 hours.
- Hold current containment lines, mop up and patrol
- [See Fire Activity Section for detailed information.](#)

# SITUATION SUMMARY

## 3.5 Magnitude Earthquake, Tahoe Vista, Nevada County

At 1708 hours, a 3.5 magnitude earthquake occurred 3 miles west south west of Tahoe Vista, Nevada County. No report of damage or injuries. Cal OES Earthquake and Tsunami Program Duty Officer advised that US Geological Survey has reported weak shaking intensity.

PERCEIVED SHAKING	Not felt	Weak	Light	Moderate	Strong	Very strong	Severe	Violent	Extreme

 GOVERNOR'S OFFICE  
 OF EMERGENCY SERVICES

# SITUATION SUMMARY

## Tropical Storm Odile, Eastern Pacific Ocean

Odile is a Tropical Storm that is currently off the coast of Southwestern Mexico. Odile is slowly drifting toward the west and is forecast to continue the slow westerly drift through Friday. Over the next 48 hours, Tropical Storm Odile is expected to strengthen and is forecast to be a hurricane by Friday. However, the center of Odile is expected to remain well offshore of the coast of southwestern Mexico through Saturday. National Weather Service, San Diego reports that for late Tuesday through Wednesday or Thursday, Tropical Storm Odile could bring a significant influx of moisture. This would bring the possibility of showers and thunderstorms with locally heavy rainfall. High surf for the beaches of Orange and northern San Diego Counties would be possible beginning around Wednesday.

GOVERNOR'S OFFICE  
OF EMERGENCY SERVICES

# **SITUATION SUMMARY**

## **9-1-1 Outage, Los Angeles County**

On 9/10/14 at 1926 hours, the California State Warning Center (CSWC) advised the Southern Duty Officer (SDO) that the Los Angeles County lost power to their 911 Communication Dispatch Center. Per the Los Angeles County Duty Officer, there was a problem of a strong smell of electrical fire at a service panel at the Los Angeles Sheriff's Department Communications Building (which houses the Los Angeles Sheriff's Department Emergency Outreach Bureau and the Los Angeles County Emergency Operations Center) was de-energized at the transformer until the problem is corrected. On 9/11/14 as of 0843 hours, 911 is operational and power has been restored. They are in the process of bringing the systems back up and this process will take several more hours. There are currently no requests for assistance or unmet needs.

## **Cal EOC Incident – 2014 Drought**

- SOC / Inland REOC remains activated in support of 2014 Drought

## **ACTIVE WEATHER WARNINGS, WATCHES and ADVISORIES:**

- [http://www.wrh.noaa.gov/sto/brief/www\\_bc\\_cal.php](http://www.wrh.noaa.gov/sto/brief/www_bc_cal.php)

## WEEK AHEAD WEATHER

NWS does not anticipate issuing any Heat Advisory or Heat Warning products and are projecting this heat event will not result in the activation of the Heat Plan.

### **Thursday**

- Hot temperatures for the Sacramento and San Joaquin Valleys and other lower elevation areas of southern CA may cause heat related illnesses.

### **Friday-Sunday**

- Hot temperatures for the Sacramento and San Joaquin Valleys and other lower elevation areas of southern CA may cause heat related illnesses.
- Increased fire weather concerns for portions of southern CA.

### **Monday**

- Hot temperatures for southern coastal areas and deserts which may cause heat related illnesses.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:**

#### **Eureka Weather:**

A thermal trough over the North Coast will maintain dry conditions and gusty easterly winds over the high terrain north of Cape Mendocino through Thursday. A shallow layer of stratus and fog along the Mendocino coast will spread north later this evening and affect the North Coast with low clouds and fog.

#### **San Francisco Weather:**

Above normal temperatures, particularly inland, are expected to continue into the weekend. Near normal temperatures are forecast to return by early next week.

### **CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY**

#### **Sacramento Weather:**

Dry weather will continue for the next week. Hot temperatures are expected through the weekend, cooling to near normal temps next week.

#### **Hanford Weather:**

Dry weather will continue through the remainder of the week and into the weekend with temperatures near to slightly above normal.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **SOUTHERN CALIFORNIA:**

#### **Los Angeles Weather:**

High pressure will bring a warming trend to southwestern California through this weekend and into early next week. Triple digit heat can be expected for the valleys, foothills and Antelope Valley starting Friday and persisting into Monday with Sunday being the warmest day. A slight cooling trend should then take place into the middle of next week.

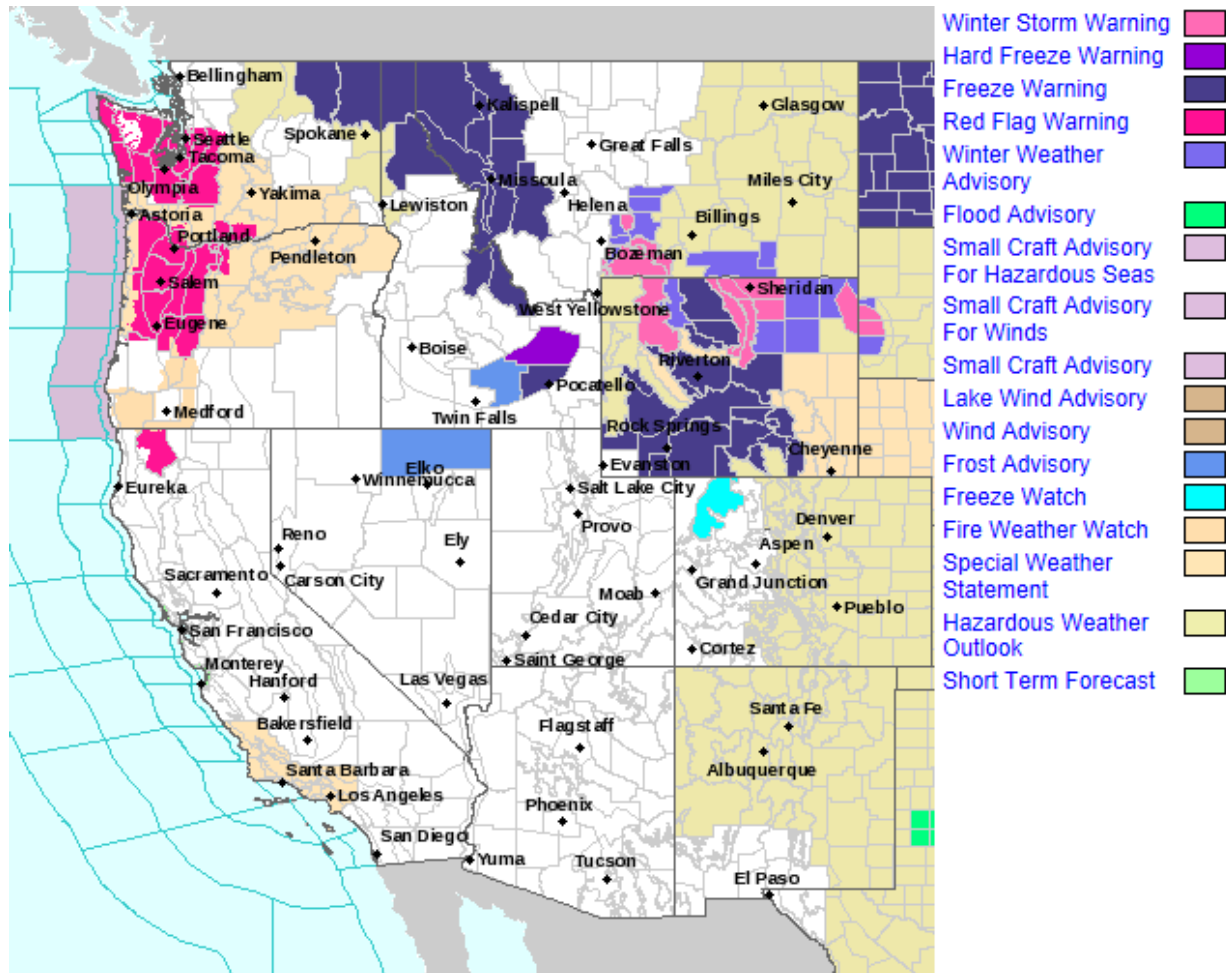

#### **Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:**

High pressure will bring a warming trend through Monday with Sunday and Monday expected to be the hottest days. For late Tuesday into Wednesday or Thursday, an influx of moisture from Tropical Cyclone Odile is possible bringing a chance of showers and thunderstorms.

#### **Southeast California Weather:**

Dry conditions are expected through Friday along with warmer temperatures and lower humidity. There is potential for moisture to increase again over the weekend.

## **Happy Camp Complex, Vegetation Fire, Siskiyou County**

Happy Camp District, Klamath National Forest

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of [09/11/14 at 0541 hours](#):

FRA

- [107,359](#) acres, 30% contained
- Type 1 Team in command
- Expected Containment: 09/20/14
- Destroyed Structures: Damage assessment has confirmed residential structure loss of 2 residences along Scott River Road.
- Threatened Structures: 695 Single Residences, 28 Nonresidential Commercial Properties, 20 Other Minor Structures
- Active fire behavior through the evening once the inversion lifted in the afternoon with isolated torching and short crown runs
- Fire continues to spread to the south pushed by northwest winds.
- Total Personnel – [2,770](#)

## **Emergency Management**

### **Evacuations**

- Mandatory Evacuations:
  - Scott River Road from Bridge Flat to the intersection of Hwy. 96.
  - All areas of Mill Creek Road five (5) miles east of Scott River Road.
- Evacuation Advisories:
  - Highway 96 from the Klamath River Bridge ½ mile west of Grider Road/Walker Creek Road to Scott River Road . This includes both sides of Hwy 96 and the community of Hamburg.
- Currently, there has been no request for LE Mutual Aid; Siskiyou Sheriff's Office, CHP, and US Forest Service LEO personnel, are assigned to Evacuation Advisories/Orders, security and road closure

### **Power/Electrical/Utility Problems:**

- Flumes providing water to the community of Hamburg (Siskiyou OA) - approximate population 80 - were reported burned by the Happy Camp Complex Fire. Immediate water needs are being met through bottled water donations. Temporary repairs have been made and water is back in the system.

# **FIRE ACTIVITY**

## **Happy Camp Complex, Vegetation Fire, Siskiyou County (Continued)**

### **Shelters**

- An evacuation center has been established at Winema Hall at the Siskiyou Golden Fairgrounds, 1712 Fairline Road, Yreka. Population: 4
- An evacuation center has been established at the Karuk Tribe's Senior Nutrition Center located at 64101 Second Avenue, Happy Camp.
- Both large and small animals will be accommodated at the fairgrounds.

### **Health and Medical**

- A Clean Air Respite Center is located at the Family Resource Center at 11920 Main St., Ft. Jones. It will be open during the week from 0900 – 1700 hours. A clean air respite Center has been activated at the Karuk Tribe's Senior Nutrition Center located at 64101 Second avenue in Happy Camp, 0800 - 1700.
- A Health Emergency has been declared as a result of this Complex.

### **Road Closures**

- China Grade Road is open to residents only.

### **Activations**

- Siskiyou County EOC activated Level 1

### **Mission Tasking**

- **2014-IREOC-4568**
- Eight units are in continuing service.
- Due to commencement of school this week at the Klamath site, Unit #29 was relocated on 8/25 to a new site (Seiad Valley) 15 miles west.
- PM levels in the good to hazardous range ( $>2,400$  mg/m<sup>3</sup>) were recorded intermittently at Happy Camp and Sawyers Bar.
- Other locations have predominantly good to moderate air quality with intermittent unhealthy air quality.
